

## Lorraine Eleanor Hill

October 13, 2025

It is with heavy hearts that we announce the passing of Lorraine Hill, who left this world peacefully after a battle with cancer. She was the loving mother of Melissa Vince, and a devoted “Ma” to her treasured grand-daughters Harmonie (Adam), Brooklynn, Jordynn, and Brodie. She was also a proud great grandmother to Zayne, who’s smile brought her endless joy.

Lorraine will be remembered for her strength, sense of humour, and love for her family. She will be deeply missed by all who knew her.

“ Although in recent years, we were not that close, as a child we were. When moving in with our father at a young age, things were not good, as he was an alcoholic. Lorraine was more like a big sister to Vida & i. I still remember her yelling at my dad, taking his wallet & going to get Vida & i some shoes for school. She was strong , brave & the only one that stood up for us. She was so important to both Vida & I as children & young adults. I will always be thankful for the love she gave & her enormous strength. RIP CUZ!

“ I met Lorraine in the summer of 1979. She was visiting with my sister Jean Payne. Lorraine and Jean were life long friends. Eventually Lorraine and I became close. We had a daughter Melissa. Lorraine was a great mom, and grandmother. Even though our paths took different routes, we remained friends. I really will miss Lorraine. She was full of vim and vigour. Lorraine did her best playing euchre, to teaching me French. She encouraged me, and she was understanding. Lorraine helped me with in attaining and maintaining sobriety. I offer my, and by osmosis, our condolences. My family will remember her for a long long time.
