

## Lucille Bernatchez

November 8, 2022

Lucille Bernatchez (nee Mercier) passed away peacefully at Bendale Acres in Scarborough, Ontario on November 8, 2022, after a short illness. Lucille is survived by her husband Louis Bernatchez and 4 children (Suzanne Jones (Andrew), Marie Normoyle, Yvan Beaudoin and Sylvie Beaudoin) as well as her 6 grandchildren (Aline Normoyle (Shane Jensen), Catherine Normoyle (Ray Walker), Kevin Jones (Carrie Clayton), Matthieu Jones, Antoine Beaudoin, Janik Ménard), 3 great-grandchildren (Nathaniel Jones, Genevieve Jones, Benjamin Walker). She is also leaving her brother André Mercier (Gisele) and sister Réjane Mercier.

Lucille was a talented musician who wrote her own music, earning a degree from the Académie de Musique de Québec in both piano and violin in 1951. She went on to graduate from Laval University in 1956 with an Arts degree feeding her creative energy. Lucille met her husband Louis through her brother André as teenagers, falling in love while doing homework. They married in May 1957 in Québec City with an honour guard from Louis' regiment, the Royal 22nd .

A devoted wife....a loving mother...Lucille was always the embodiment of LOVE even though circumstances in the early sixties had hampered her cognitive abilities. Everyone who met her reflected on her gentleness and her sense of style. Company was always treated like royalty in her home; she was

the consummate hostess. Her love of card games and Scrabble was passed on to her children. Her greatest joy in later years was spending time with her great-grandchildren.

Services will be held in Toronto at l'Eglise Sacré Coeur on November 19, 2022 at 11:30 am with a light lunch served afterward at the church. The burial will be held in St Thuribe, Québec along with a small service in mid-December.

Rest in peace Maman (1934-2022).
