“ I remember being at School at the same time as someone named Lucius Chan and believe that Lucius and I might have been Classmates when I attended Queen's College in Georgetown, Guyana during the years 1942 - 1949. This would mean that Lucius would have to be in his early 90's as I am also if indeed he is one of my former Classmates.as I think he might be. If I am correct, please accept my condolences on his passing. May many memories of happy times spent together with him help to comfort his family at this sad time.

“ To Anita and family. So sorry to hear about Lou. I have fond memories of golfing with Anita and Lou at Annandale. He was so soft spoken and a fine gentleman. When I asked him about my game he quietly gave me a few pointers. He never rolled his eyes. (smile)

Sending our condolences. Mary & Dennis Lacey

Thank you for thinking of us. I know Dad enjoyed playing golf at Annandale, especially in the mixed leagues, as did Mom.

“ Please accept our deepest Condolences to Anita and family. We were shocked and saddened to learn about Lou’s passing. Lou was an avid golfer, during golf season, he rarely miss a day at the golf course. We really enjoyed playing golf with him. We wish we had more time together, but we will treasure the time we did have.

May his soul Rest In Peace.

“ I do have a few memories of your dad, and if my memory serves me correctly, the one that comes to mind is that he was the first one to take me for a ride on a motorcycle when I was just a kid. I don't think he had met your mom as yet. We went for a short ride along the seawall in Georgetown and my mom was not pleased. Needless to say I loved the ride!
