Eulogy

Decía algún poeta cantor “Caminante, no hay caminos, se hace camino al andar”.

Permítanme que al evocar a nuestra querida Madre LUZMILA BEATRIZ ALBORNOZ ORDÓÑEZ, logremos transitar por los senderos y caminos que ella en su afán de vida los hizo y recorrió durante los casi 96 años que el Supremo Creador la concedió;

Un 20 de Mayo de 1927 vio la luz primera en la Ciudad de Cuenca-Ecuador en el hogar de sus amados padres Rafael AlBornoz Cabanillas (nacido en Lima, Peru) y Clemencia Ordoñez Pigout cuya madre fue originaria de Burdeo, Francia. Fueron sus hermanos Raúl+, Leonardo+, Efrén+, Rodrigo, Sarita que coincidentalmente o por alguna razón cerró también sus ojos el mismo día que nuestra Madre, seguramente quisieron acompañarse en el postrimero viaje; Aidita+, Gladys y Rafael+.

Pasó su alegre niñez y juventud en medio de sus compañeras de escuela y colegio y de sus hermanos y primos que felices vacacionaban en la hacienda “Josefina” de la abuela. Con la envidiada apacibilidad que brinda el entorno familiar. ¡Historias que siempre estaban en su memoria y nos contaba hasta el final!

Pasaron los años y empezó su vida laboral, por algún tiempo prestó sus servicios en una antigua compañía aérea llamada “Panagra” de secretaria. Posteriormente laboró también en la Municipalidad de Cuenca, a cargo de los “Comedores Municipales” de ayuda para la gente necesitada, accionar que fue elogiado por su organización y comprensión humana.

Caminando por la época juvenil, paseaba su belleza en medio de la muchachada y su flirteo, por lo que su abuela francesa le apodó con cariño 'muchachita engreida' (Petite galette en francés). Luego llegó el amor y a sus 21 años contrae matrimonio con nuestro Padre Antonio Arteaga Tamariz+ y así empieza la dinastía Arteaga -Albornoz, nosotros, 9 hermanos (Rafael, Hernan, Eulalia, Juan, Eliana, Miguel+, Carlos, Soraya y José Alfredo), todos

hoy despidiéndole a nuestra Madre, excepto Miguel+ que se adelantó hace poco para recibir a su Madre y su tía Sarita en el cielo.

Madre amorosa y sacrificada con sus hijos, supo inculcarnos sempiternos valores de honestidad y pulcritud, sobre todo el amor y respeto a Dios y nuestros semejantes.

Luego por el año 1970 decidió venir a Canadá donde radicaba su hermano Rafael+. Con duro afán organizó a la familia en este nuevo destino y hoy aquí está una numerosa familia con sus 9 hijos e hijas; 25 Nietos y 15 Biznietos.

Hoy en medio de nuestra tristeza alegramos nuestros corazones con el recuerdo de sus canciones. Sabíamos que Mamita estaba por allí si oíamos la canción Granada, o Perfidia, o Vereda tropical y muchas más, una ilusión para nosotros desafinados hacer dúo con ella, así cantábamos y reíamos.

Te extrañamos Madre, encaminamos por los senderos que nos enseñaste pues ahora podemos decir parrafeando al poeta:

“Caminante, si hay caminos, nuestra Madre nos dejó el camino a andar”.

“ *My vivid memories of my grandmother are of her caring for us when we were little. I remember her when I was small playing with me and teaching me, and also, when I was older watching her care for more of my younger cousins and then her grandchildren. Mamita's love for her children and grandchildren knew no bounds, and we were all blessed to have been held in her warm and loving embrace. Her presence in our lives will be greatly missed, but we take comfort in the memories that we will forever cherish. Rest in peace, Mamita. Your legacy of love and kindness will continue to live on in the hearts of all those whose lives you touched.*

“ God called you to Him on April 15th, 2023. Your journey to your new life has begun, and while I am happy that you no longer suffer, I am sad that I can no longer see or hear you. I miss reminiscing with you about times long gone and your sharp mind, always teaching me Spanish words that I can no longer remember. I miss your words of love and blessings, and I miss how you always worried about your kids. You were always a Mom at heart, and I miss you dearly, Mamita.

You were an admirable mother, and I saw you as a warrior who overcame many obstacles in your life. Life was never easy for you, but you always smiled and went full force to accomplish what was needed. You were a valiant woman, and your faith in God never faltered. You knew that Jesus was with you every step of the way, and that faith, my Mamita, and your strength have been an example I needed in my life.

God is with you, my great and beautiful Mamita, and He will reward you in your new life. Your sister went with you on the same day, and it is like God is saying that you will always have your family with you. I know you were close to your dear sister Sarita, another brave woman who also surpassed many things in her life. I can picture both of you, hand in hand, walking towards the light along a way of beautiful flowers and clear skies. At the horizon, your loved ones are waiting with arms extended to receive you both. You wanted to see your Mom and your son, and they are there, along with your other loved ones!

My children, grandchildren, and I will always have you in our memories for as long as we live. Since I joined you in Canada, I lovingly called you "Milord," and my kids, Gabriel and Lily call you Mamita, just like all your grandchildren. They know that Mamita is your name, said with love.

So long, my much-loved Mamita, until we meet again when God calls me
