

Mrs. Maisie Jean King

June 26, 2012

Our beloved Mother, Grandmother and Great-Grandmother passed away on June 26th in her 101st year. This spirited soul with a gracious heart will be dearly missed by all those whose life she touched. Wife to “Herb” King (deceased) and Mother to Karen (deceased), Errol (deceased), Barbara (deceased) and Audrey; mother-in-law to Louise and Sandy. Her legacy continues on in her granddaughters Lynda, Carole Anne, Karen, Veronica, Brandi, and Chantell, who carry on her traditions of excellent cooking, handmade chocolates, baking and taking pleasure in both the finer and simpler aspects of life. Her great-grandchildren Elyse, Lauren, Alex, Preston, Cyrus, Tyler, Owen, Kaleb, Nikki, John, Jacob, Ethan and Gracie brought her so much joy with every visit. Although we will forever cherish Maisie’s memory in our hearts, we mourn the loss of our shining star. The visitation and funeral will be held at The Church of Jesus Christ of Latter Day Saints, on Saturday June 30, located at 19 Northdale Rd. in North York, after which there will be a brief reception. Visitation will start at 11 a.m. In lieu of flowers, Maisie has requested that donations be made to the MS Society, and/or Ontario March of Dimes.

“ I didn't know your Mom well, Audrey, but whenever I did have the privilege of being in her company I always felt I was in the presence of " a great lady". She was always gracious, warm and welcoming. You have done an amazing job of caring for her when she needed you just as she took care of you when you most needed her. It is a tribute to both of you.

“ I was talking to my Mom about Maisie and she wanted me to send on her best wishes to you along with mine. But you did it girl! And kept her with you til the end. I think that was a really big act of loving kindness and I hope that it will give you solace in the days to come.

I remember the joy of spending time with you wonderful Mum at your home in Toronto. She was a remarkable woman who lived a good life with your support. We can certainly understand your sadness. At the same time, her life as well with good memories and knowledge she will not be forgotten.

My thoughts of Maisie are from my earlier years in Toronto. During that time she was like my second Mom. (I'm sure that you will be hearing that from many)

Maisie had a gift of making me feel completely accepted. Whether she was with me by family and friends or we were just having a meal together I knew that she gave me her beautiful smile everytime we met and I felt that she was glad to see me.

Maisie's life was a resounding success. She conquered her challenges with a great sense of humour. Maisie had a strong spirit.

I will see you on Saturday. Take care.

The end of an era – Condolences to you and your family.

I have the warmest memories of your Aunt Maisie. She had the biggest heart and made me feel very welcome whether at the apartment or the cottage. Her funeral production was pretty phenomenal and much appreciated by all the family. She was a very loving woman, and will be missed by all of those she loved. Big hugs

She was a very special lady in my life and I want to be there for her celebration. She well lived. I know she was comfortable, well loved and cared for right to the end. I don't get much better than that.

See you Saturday.

Dearest Audrey,

I'm sorry to learn of your mother's passing. I recall some of the early meetings held at your place and your mother's warm reception of us and straight forward good humour.

You've been amazing in all your help in enabling your mother to stay at home. 100 is indeed a grand age.

The strongest support that Maisie had in her life, Audrey, was you. Many times she confided in me that she knew and appreciated this fact. You had a wonderful relationship.

I will see you on Saturday. Take care.

She was a very special lady in my life and I want to be there for her celebration of life well lived.

I know she was comfortable, well loved and cared for right to the end and it doesn't get much better than that.

Sorry to hear that Audrey, she was a wonderful person and I feel improved for having had the pleasure of her company, she was certainly an inspirational, strong, intelligent and kind woman. If there is anything I can do to help you in anyway, please let me know.

Carla

Dear wonderful Audrey,

I'm so, so sorry to hear of your mother's passing. She was a wonderful woman and will be in our hearts forever. I'll never forget that special party you and your family held for her last year as she turned 100. She looked beautiful and thoughtful then and honestly I thought she might hang on for years to come. Sadly for us that's not to be.

Audrey, as much as your mother was a woman of incredible strength and love, you too need to be commended for all you have done for her. I love you both and think of you both as role-models.

My prayers to you and to your family. I will light a candle tonight for the power of Maisie.

I'll be there Saturday. Would it be OK to bring the children or is that inappropriate?

Ines

I've been thinking of you lately. So sorry for the loss of your mom. What an amazingly strong woman she was. I've never met anyone like her.
