

## Margaret-Anne Irvine-Bowles

September 2, 2022

It is with great sadness that we announce the loss of a beautiful wife, mother, grandmother and friend, Margaret-Anne “Maggie” Irvine-Bowles . Maggie passed away peacefully in her sleep at home in Puslinch, Ontario on September 2nd at the age of 75. Maggie was born March 26th, 1947 in Bobcaygeon, Ontario to the late Henry and Dorothy Irvine.

Maggie is survived by her loving husband Greville, her two children Alan and Suzanne (Alvin), brothers Scott and Jason, eight grandchildren Kami, Delante, Mohogany, Ebony, Caleb, Hannah, and Hudson, her life long friend Jacquie, and numerous cousins, in-laws and friends.

Maggie was adventurous, outgoing and vivacious; a free spirit who welcomed new experiences. Always giving, always ready to help, Maggie accepted everyone with openness and no judgement, seeing the good in everyone she met. She took pleasure in supporting her favourite charities, Guelph-Wellington Women in Crisis and Autism Speaks Canada.

A proud grandmother, Maggie would brag to no end on the accomplishments of her grandchildren.

Maggie was blessed to find the love of her life, Greville, 22 years ago. You could find them every year at the race track, on a beach, enjoying their home, taking dance lessons and entertaining family & friends.

Maggie is now peacefully at rest watching over us. She will be missed more than words can say and in our hearts forever.

I have fought the good fight, I have finished the race, I have kept the faith. 2 Timothy 4:7

“ I am so sorry. I didn't know of Maggie's passing until today. She was a kind and wonderful person and my kids knew her as "that nice lady with the suckers" because she always had candy for them when I brought them into the office. She was a ray of sunshine and I will miss her.

*I knew Maggie for over 50 years. She was a beautiful, vibrant, passionate woman who lite up the room when she walked in. So full of life. She adored her children and grandchildren and I knew her to be so kind and accepting of people. I knew her to also have a great sense of humour. She holds a special place in my heart. My condolences to all her family and to her special friend, Jackie, who Maggie spoke of so fondly over all those years.*
