“ Remembering my beautiful and caring aunt Margaret. She took care of me when I was a young boy. My Christmas were always special thanks to her. She was so very warm and welcoming. She will be sadly missed. A great soul that loved all animals.

Condolences from her nephew John Calderone and family.

“ I am sending you my deep sympathy at this sad time in your lives. Although I resigned a few years ago, I was a Toronto Zoo Wednesday volunteer with Margaret for just under 20 years. As in the beautiful picture, she was always smiling and laughing, often with Noel welcoming everyone at the front gate, setting the tone for our day of volunteering. Margaret was truly a dear person and I will share your grieving over the next difficult days and will be thinking of you all. Margaret Allan
