

Mrs. Margaret Grace Dalton

March 27, 2013

Unexpectedly at home on Wednesday March 27, 2013. Loving wife of the late James. Loving mother to Andrew (Leann) and Susan. Fondly remembered by her grandchildren Cassandra, Caleb and Hugh. Dear sister of Charles, Robert and Priscilla. A memorial gathering will be held at Aftercare Cremation & Burial Service, 1097 O'Connor Drive, on Saturday March 30, 2013 from 11 to 1 pm.

Dear friends and family, my mother did not want to have a formal service, so we have organized a gathering to allow my brother and I to thank you in person for all that you have done for our mother. You can come any time you'd like between 11 am and 1 pm. Susan will say a few words at about 12:30 pm, and give you the opportunity to speak if you would like to do so. Please join us afterwards at our mother's house, at 20 Adanac Drive, Scarborough. The home phone number is (416) 267-7778.

“ My wife Mary and I are very sorry for Margaret's sudden passing. As one of her neighbours we were very fond of her. She would drop by our house quite often in the summertime to share a story or two. And in winter we could expect her to call at least once a week to talk about city politics or various things that were happening on our street. When Mary and I were at work or vacation Margaret would always keep an eye on our house. Margaret was a friendly neighbour. And both Mary and I can say that she was a friend too. We will miss you Margaret.

“ (I apologize in advance if this tribute appears more than once, had a problem with this site).. Nadia Yusiw wishes to send to you all, her deepest condolences on the sudden passing of her mother, sister, mother in law and grandmother. Mom and Margaret were friends for a very long time and even after my mother was unable to visit Margaret or see well enough to dial her number, Margaret would call her monthly, to see how she was doing. Mom was so shocked and saddened at Margaret's sudden passing.....we extend our deepest sympathies and hope that Margaret is now having her customary cocktail in full spirits and health.

“ We were very saddened to hear of Margaret's passing. My mother Nadia and Margaret were friends for a long time and even after my mom could no longer drive or have sufficient vision to be able to call Margaret, Margaret would still give her a call every month. Mom and Margaret had their ups and downs in their friendship but when mom heard today of Margaret's sudden passing, she was very upset and saddened. We extend our deepest condolences to the entire family on the loss of your mother, mother in law and grandmother. Hopefully she is having her customary cocktail on the other side! With our deepest sympathies

“ I am very sorry to hear about Marg. I work at Scarborough Village C.C. in the Seniors' Office. Marg volunteered at our location for several years at our Welcome Desk always smiling and greeting people with a warm hello and would pop into my office and have a chat. She had only visited the center a couple of times of late due to her injury but kept in touch with me by phone and emails a few times a week. Marg had a very caring heart and was there for anyone, including myself, who needed a shoulder to lean on. A few years ago in my spare time I had the chance to do some landscaping and gardening for her and while there I was able to take some photos of her roses in her front garden. One was a yellow rose, hence lighting the yellow candle in her memory. You will be missed by so many people Marg and I will miss you dearly. My thoughts and prayers go out to the family. May she rest in peace. Love Jan.
