“*Marg was a sweet lady, always with a welcoming smile. A proud Canadian and a proud Newfy. She was a great cook who always pitched in when a family gathering required snacks, sandwiches or a big feast. My favourites were her award winning tuna sandwiches and her tasty peas porridge. She had a big heart and loved her family, especially the love of her life, husband John. Proud to call her my friend. oooo*

“*Lots of wonderful memories of Marg. A heart full of love! She always helped out with her yummy cooking. She helped out for my baby shower for my daughter Julie and then helped decorate and cook for my daughter Julie's wedding shower 25 years later. She always fussed over everyone, wanting to make sure everything went smoothly. My husband Pete would always look forward to Marg's tuna Sandwiches. No one could make them better than Marg and he reminded me every time I would make them. They're good but not like Marg's  
RIP Marg ❤️*
