

Margaret Wilhelmine Tait

February 3, 2023

It is with deep sadness that we announce the death of Margaret Wilhelmine (Wilma) Tait (nee Eccles), age 72 years. Born and raised in the Brampton area, Wilma worked with her family's agricultural business as her chosen career. She enjoyed socializing with friends over the years and was especially thankful for her closest and dearest friends. Wilma will be sorely missed by her sister, Bev and family. Predeceased by her parents, James (Jim) and Margaret Eccles. Cremation and private service is planned. A special thanks to the doctors, nurses, PSWs and staff at Brampton Civic Hospital for the care and compassion that they provided. In Wilma's memory, a donation to a charity of your choice is much appreciated.

“ *I'm a former 3rd line Neighbor and highschool classmate. Wilma was beautiful, feisty, intelligent & ever so classy! Once posture Queen, she modeled a distinctive charm & poise. I lost touch with her after my teen years, but her radiance & warm smile still shines through in her obit photo.*

Sincere sympathy to siblings, family & friends.

Mary Lou King, PhD, RN (retired).
