“ Absolutely one of a kind.

Gave me lasting memories as a childhood friend of Carrie's.

Taking Carrie and I to Mr. Greenjeans at the the Eaton Centre for giant sundaes (for many years for Carrie's birthday). Taking us to the movies, Annie being one of my favorites. Loved her wonderful home in Scarborough. A piano that played by itself and a very cool jukebox in the basement.

So happy that I was able to see her this past September. She still had so much spunk and still enjoying her wine!

She raised an amazing, loving family that I will always have fond memories of.

May all your memories help find you peace. She will always be with you and we will all see her again one day. Thoughts and prayers are with you all.

Sincerely,

Karen Dellaire (Schumacher)
