

Marie Elisabeth Grant

August 6, 2021

Elisabeth was called Home on Friday, August 6th, 2021, from Scarborough General Hospital. She was the much-loved daughter of Jean Elizabeth (Cooper) Sutherst (d. 1989) and The Rev. Frederick Charles Sutherst (d. 2012), and is now with them in her Heavenly Father's presence. She is survived by her older sister, Marilyn Anne Sutherst of Peterborough, who was with her when she died. Elisabeth was born in Dunnville, ON., attended school in Peterborough and graduated from Toronto Bible College in 1967. She worked for the Mennonite Central Committee in Omaha, Nebraska for one year before spending time with both the Children's Aid and the Salvation Army Homes in Toronto. She then worked for the Baptist Convention of Ontario and Quebec as office manager and then assistant-treasurer for 25 years.

Elisabeth came to Beaches in the early 90's and has been a mainstay of the congregation since. She will be greatly missed for her pastoral care of others, her wonderful sense of humour, her strong work ethic and her patience. We were richer for her care and poorer at her loss.

In lieu of flowers donations may be made to: World Vision, The Heart and Stroke Foundation and Beaches Presbyterian Church.

“ A lovely photo of a lovely person! I met Elisabeth at TBC/OBC where we were “roomies” and actually we graduated in 1970 - lots of good memories!! Later, a highlight of our CBOQ Assembly gatherings for my pastor husband and myself was a “catch-up” and good chuckles with Lis. She will be missed but she was a great blessing and God’s servant to those who knew her!

“ I will so much miss sharing a look and a chuckle with Elisabeth at Beaches' Session Meetings.

“ Elisabeth worked with me at CBOQ when I became treasurer in 1990. There were always lots of laughs, least of which why the bank recs didn't balance. Elisabeth provided encouragement and support to all our staff and many pastors during her tenure.
