

Marilyn Annette Giffin

March 17, 2024

May 13, 1959 - March 17, 2024

Marilyn of Toronto, at the age of 64, died on Sunday, March 17, at Sunnybrook Hospital, Toronto from multiple complications. She was the beloved daughter of Noreen and the late Bob Giffin. Dearly loved sister of Robert Giffin and Kathryn Maxwell. She is remembered by her brother-in-law Ian Maxwell, and nephews Grayson and Spencer Maxwell.

Marilyn loved her home, (where she lived for over 30 years) and her gardens. She was passionate about her dog, Sandy and Scamper her cat, who predeceased her.

Valiant was her struggle throughout the many years she suffered from severe chronic pain. Her courage and positive nature were remarkable. Our only consolation is knowing that she is now free from pain and is now resting in peace.

"We love you, dear Marilyn."

“ I have lovely memories of Marilyn in happier days (some 35years ago), notably skiing at Horseshoe Valley, and on one occasion at Ellicottville, NY. Although not, I think, having skied before, she became quite good and certainly enjoyed it.

“ Dear Marilyn- we were very close cousins in the early part of our childhood, I remember all of us going to the PNE in Toronto, going to our grandparents cottage in Gananoque where we would all go for candy at the little store down River Rd. and catching fireflies! As years rolled on we lost touch but always had good memories. Rest in Peace dear cousin!

“ As one of Marilyn's nephews, I was so fortunate to have her in my life. Growing up with Marilyn, she was such a caring and generous person, with great love for her family and pets.

The was an incredibly strong person, and went through more hardship than most could imagine. She faced these hardships with so much strength and grace.

We love you, and we will forever miss you Marilyn.

Love, Grayson Maxwell.

“ *My dear cousin. We shared the same paternal grandparents. We also shared many happy time in our early years. Christmases together at the grandparents, time spend down at the cottage swimming and sleepovers when our parents got together. I remember lunches at your house when we lived close to you. We've lost touch over the years, however you will always be in my thoughts and my heart.*
