“ I'm so sorry I just found this now after your mom is gone. I do family genealogy and the family lost track of Melville and his family -- I have been lookng for traces for several years now. You have my sincere sympathy. My mom was Melville's first cousin on the Oblender side.

“ Remembering a dear friend from my past. Many days were spent swimming, curling, coaching/watching our kids' softball, and just plain enjoying life. Marilyn is remembered by my family as well. And to her precious family may I say, your loss is God's gain. Sincerely, Pat Boyes
