

Marion Ruth Pike (nee Talbot)

July 5, 2021

Born: November 3, 1949

Died: July 5, 2021

It is with great sadness, I announce the passing of Marion Pike (nee Talbot), 71 years old, of Toronto, Ontario. Marion was born in November of 1949 in Newmarket, Ontario to the late Harold and Gwen Talbot (nee Bond). She was one of eight children. After a lengthy illness, she passed away at Michael Garron Hospital on July 5, 2021.

Marion was a strong, independent, caring woman who persevered through many of life's challenges. She met each of life's obstacles head on with grace and patience. Some of these obstacles would have left others in shambles, but she would always pick herself up and go on if not for herself, then for her family. Her commitment and devotion to her family knew no bounds.

She was a woman of strong ethics and morals and expected the same in others. She had many sayings that were passed down to those left behind that have become rules to live by.

- Never go to bed angry.
- Always say I love you.
- It's never good bye.
- I see fire in your eyes.
- Nobody likes a liar or a thief.

Loving mother to Brenda Hefferon and the late Carol Pike. Cherished Nanny to Sara Hefferon (Rob Scotland), Brittney Tuccitto (Brandon Savage), Cory

Hefferon, Brianna Mazerese, William Mazerese (Lyndsay Frey) and Salvatore Petralito (Marissa Milley). Beloved 'Nanny Marion' to her great grandchildren; Tristin, Kadence, Sawyer and Stevie. She leaves behind her sisters and brother as well as many nieces and nephews.

In keeping with her wishes, she will be cremated and a small gathering will take place in the near future.

A special thank you to Princess Margaret Hospital, and LHIN for the care she received and their continued support. Thank you to Michael Garron Hospital palliative unit and respiratory unit for their compassion, exceptional care and understanding shown to both Marion and her family.

“ *I remember her from when I was 9 years old-I still think about her. She was so kind to me when I was a child, and I always appreciated it, and still think of it. She was a loving and terrific mom too. Boy-she will sure be missed by lots of people.*

“ You said I was your rock, but you were wrong. You were my rock. You are the strongest person I know and ever will know. Be at peace mom. Rest knowing that you provided 3 generations with so much. You live in now in each of us. Give Carol a hug and kiss for me.
