“ I am so sorry to hear about the loss of Jean, my father’s beloved younger sister and my cherished aunt. My memories of Jean are of her grace, her humour, and her impeccable fashion sense! Jean and Vern have been an indelible part of my life, both past and present. My deepest sympathies are with my uncle Vern and Rice cousins. Lorna

“ So sad to hear of the passing of my Aunt Jean. My love and condolences to the entire Rice family at this difficult time. I have many fond and cherished memories of the times our families spent together. Every Christmas throughout our youth, Sunday afternoons in Georgetown, and special family occasions are all the more memorable because of the presence of Jean. May she rest in peace with the love of her family in her heart.

“ Vern,

*Our thoughts and prayers go out to you and your family. I have so many fond memories of you, Jean and my parents getting together for card night, or the Saturday night dance parties in our basement. We always knew Jean was present through her laughter. For me, you and Jean were family.*

“ *I just remember thr laughter when Jean and Vern, (I'm sure they asked us to stop calling them Mr & Mrs Rice) & my Mom and Dad got together for a night. The four of them were always up to some trouble. RIP Jean. I'm sure mom will be on the lookout and have a seat ready for you.*
