“ I have many memories of Mark - always with Colleen, Steve and Anita!!! The first time I met Mark we all went to some beach and he mouthed off to me on the way home in the car because my ashes came back in the window. Mark always liked a good squabble. Very sad you have gone so young. I remember how excited everyone was when Sarah was born and what a good dad you were. I hope everyone can remember all of the good times. RIP Mark.

“ Tall, handsome, funny, with a beautiful family. This is the Mark Bailey I met so many years ago, and remember today. If I think of Mark, I can't help but see his beautiful smile. Rest in peace.

Andi took the words right out of my mouth. To this day I still talk about my cousin Mark and how he could shred on his guitar. So sorry for your loss Steve.

“ It's hard to just pick one. There are so many memories I have with my dad and they're all so special to me, even more so now that he's gone. As much as I knew this was coming, I'm still having a hard time believing it's real. It's happened. He's gone. I love you Daddy. May you forever rest in peace
