

Mark MacMillan

April 18, 2024

(March 7, 1978 - April 18, 2024)

Mark MacMillan, beloved son, brother, and uncle, passed away peacefully on April 18, 2024, surrounded by his family. He was 46 years old.

Born on March 7, 1978, Mark was a symbol of strength and resilience throughout his life. Despite facing the challenges of quadriplegia for 29 years following a tragic car accident, Mark approached each day with determination and a courageous spirit that inspired all who knew him. He will be deeply missed.

Mark is survived by his devoted mother, Joan MacMillan, his stepfather Dennis Hansen, and his siblings Chris and Chantelle. He also leaves behind his sister-in-law Shannon and his soon-to-be brother-in-law Pat, as well as his cherished niece and nephew, Sawyer and Findlay.

Mark's impact on those around him was profound and enduring. While he faced such adversity, he will be remembered for his grit and tenacity, his whip-smart humor, and his immense capacity for love.

In lieu of flowers, the family kindly requests that donations be made to Spinal Cord Injury Ontario in Mark's honor. Mark will be cremated in a private ceremony with immediate family and a celebration of life will occur at a later date. Details will be shared in a forthcoming announcement.

May Mark's memory bring light to our lives and remind us to face life's challenges with the same grace and fortitude that he showed every day.

“ Mark, was not my client who I cared for but my dear brother. He was an uncle to my two children Shannelle and Markell. Mark has taught me so much about life and no matter our circumstances, we need to learn to be grateful. I am truly blessed to have walked into Mark's house in December of 2014 for a night shift, from that day we became inseparable. Even throughout my 18 months of maternity leave Mark was still calling my phone through Siri and made sure I was there helping to care for him 🥺 . Mark will always hold a special place in my heart and he is deeply missed 💔 We had some fun days brother, rest peacefully. I love you. ❤️
