“ *I have many great memories of Mark, most of the involve sitting around the fire at the cottage.. Always the life of the party, always ready for a fun time, like water skiing (even with a broken arm) and always.. Always I will remember Marks heart.. When I was a child, Mark always had time for me, always treated me like a friend.. You will always be in my heart, you touched my soul and you will never be forgotten.. Rest in peace old friend xo*

“ Always loved driving in the convertible with the top down, the best part is Mark would let amber and I sit on the tops of the back seats and he would drive us around like that! And I remember he always bought the best pepperettes to eat.

“ Mark I remember you as a very funny guy with all the jokes, you had a big heart, and were a good cook too. You made me laugh most of the time and pissed me off some of the time but I raise a glass to good old memories! Cheers one more time Mark! RIP xo

“ *I remember going up to the cottage with Mark and the family as a kid. He was funny and had a big heart. He had a way of lighting up a mood.*
