

Marlene Elizabeth Weiler

January 20, 2023

On January 20, 2023, Marlene Elizabeth Weiler passed away peacefully at her home, surrounded by family and friends, following a difficult struggle with cancer.

She was born in Bradford, Ontario on March 20, 1947 to parents of Ukrainian descent, Fred Bihun 1901 - 1965 and Julia Stratulak Bihun 1907- 2002. She grew up on the family farm in the Holland Marsh, and attended Bradford Public School and Bradford High School, where she developed many lifelong friendships.

Marlen's rural beginnings were the foundation that she built upon as she moved to the city and began a successful career in business. Throughout her working years, Marlen was a dedicated and valued employee of Arthur Erickson Architects, the Wool Bureau of Canada, and the Board of Funeral Services.

Marlen enjoyed travels with her husband Mike, and many family get-togethers. She had an amazing memory and could recall people and events from long ago, which she relayed with colorful details and a sharp wit.

Marlen leaves behind her loving husband of 54 years, Michael Weiler, and her brother Gerald Bihun (Karen). She was a caring aunt to Craig (Hilary Mellor), Julie Bihun (Mike Liepe), Christopher (Nicole) and the late Patti Bihun. She will be fondly remembered by her cousins, especially Stella Novosad Wadsworth (Thomas), Patricia Stratulak, and Ruth Novosad (late Paul). She will be missed by longtime friends Jeanne, Margo, Shirley and Peter.

Cremation has taken place and a private memorial will be scheduled at a later date.
