

Ms. Martha Hajer

February 8, 2018

After a very long and courageous battle with cancer , Martha passed away peacefully with her mother by her side at Bridgepoint Active Healthcare on February 8 2018 at the age of 53. She left behind loving parents Jack and Erika Hajer and will be sadly missed by sister Carolyn, nieces Melissa and Lauren, brother Michael , Aunt Anne and her daughter Magdalena. Special thanks to good friend Charlene for all her help and support and thanks to the nursing staff at Bridgepoint.

As per Martha's wishes no service will be held.

Psalm 23

"The Lord is my Shepard, I shall not want. He maketh me lie down in green pastures; He leadeth me beside the still waters. He restoreth my soul; He leadeth me in the paths of righteousness for his names's sake. Yea , though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff they comfort me. Thou prepares a table before me in the presence of mine enemies; thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord for ever. "

“ It seems fitting on Valentine's Day to write a tribute to Martha. I only came to know Martha from March of 2017. We discovered that we grew up in the same neighbourhood. While we both attended Wexford Collegiate and studied art there, because I was older, we never met. Martha's artwork was indeed fine.

The qualities I came to admire in Martha were her directness, and her sudden, warm smile which could engage strangers on an elevator. Martha was very intelligent, as evidenced in her collection of books with notes written all over them. I salute her courage in overcoming many challenges in her life. She clearly loved all creatures and was a caring heart.

While we no longer have Martha physically with us, I believe her spirit journeys on. She is dwelling in the house of the Lord and is feeling peace and freedom.

With thoughts of love and comfort to her family,

“ Our sincere condolences for your loss. This quote is on my parents's headstone. I hope it brings you some comfort - "To live in the hearts of those we love is to never die."
