“ Those we love don't go away, They walk among us every day,
Unseen unheard but always near, Still loved,
still missed and ever near,
"Death leaves a heartache no one can heal ,
loves leaves a memory no one can steal

“ Marty and I worked together at Grant and Shields for several years. She will be missed terribly. my condolences go to her son Craig and her brother Jim. I am so sorry she was such a brave soul. Craig you made her so happy with the move and all she was really happy the last several times we talked and it was all due to you. You gave her such a wonderful thing to look forward to and she was excited for the first time in months.

“ I am truly sorry for your loss Craig. I have lots of fantastic memories growing up next to your Mom and you and Kevin. I know you will miss her greatly Craig. She always had such a beautiful garden. A wave when ever she went out and a smile and wave when she came home, plus most of the time a chat on the front lawn before retiring back inside. I will cherish these memories always. The neighbourhood is changing quickly, never let go of the good times. Lots of love and prayers for you Craig. Take care and again Marty will be missed, but always remembered. Love Vicki McLeod and family.
