

Mr. Marven Goodwin

October 15, 2017

Marven Ralph Goodwin (October 6, 1939 - October 15, 2017)

It is with a heavy heart that I announce the passing of my dear dad. He was very much loved and adored by me (Susan Goodwin), and devoted grandpa to Jake and Alex. Much loved brother to Ruth (Don) Marlyn, Larry (Corrine) Goodwin, Eric (Julie) Goodwin, Sister in law Margret Goodwin. Marven was predeceased by his parents Ralph and Phyllis Goodwin, sister Shirley Roberts and brother Andy Goodwin. Longtime loving friend to Judy Holmes.

Marven was a kind and loving man, who adored his grandsons dearly. He truly enjoyed Friday visits from his sister Ruth and brother Larry. Many laughs were always shared between them. He will be greatly missed and forever loved by his family, extended family, friends and neighbors.

A special thank you goes to Lakeridge Health Dialysis staff, who looked after Marven for his many years of dialysis treatments. Also a loving thank you to Marcus and Emily (PSW's) from Paramed. Marven has been cremated and will be laid to rest with his mother in the spring of 2018.

“ My mother and father Verne and Oliver would like to extend their sympathies to your family. Dad was Marvin's younger uncle which makes me Marvin's cousin. My patents spoke highly over the years of your dad. I wish I could have met him.

“ Awe I forgot to tell my most memorable time as a child was with Marven...going to the river(which when I grew up found out it is a creek..lol) for family picnics, swimming and dune buggy rides. And also to the Oshawa lake front for bbqs and playing. Sometimes it was a bucket of Kentucky Fried Chicken and all the fixings 😊. Oh those were the best times ever!!
And omg..I can't forget to tell about the toboggan rides!!
Hahaha....Marven tied the toboggan to his little car and pulled us around in circles ,around the house.
I will cherish these beautiful,fun memories forever 💕
Thank you sweet Marven 🥰 you are the best.

“ I have known Marven since I was 6 years old. 💕
He was always a wonderful, loving and caring man. Never did he have a bad word about anyone.
I have always had a love for him and secretly wished that he was my dad.
He worked so hard..7 days a week! If he wasn't at his job,he was tinkering at his storage unit.
When his grandsons came along, he was the happiest and most proud grandpa ever! 😊
You could always find him fixing something up for his boys or be watching them play.
It was an honour to be a part of your life,Marven. You will be in my heart always 😘💕
Rest in Paradise sweet darling..xoxo

“ I have so many wonderful memories of my dad,i wouldn't know where to begin.
Dad enjoyed tinkering in the garage and talking to the neighbors as they walked by.He loved our kitty Sunshine and found joy in watching her playing.She brought him so much comfort and company.

He was so proud of Jake and Alex,they were the lights of his life.Dad was always so kind and thoughtful to the people in his life. I will miss him dearly and our home feels a little empty without him here.

Dad is only a memory away and in my heart forever.

Until we see each other again dad,watch over us and help keep us safe.

Love you xxoo

“ My brother, Marvin (named after Uncle Marven) and I were saddened to hear the news of our uncle's passing. I will always remember Uncle Marven as being a very kind, quiet and gentle person with a great sense of humour and a wonderful laugh. He always seemed to have that little sparkle in his eyes and his care for his mother, my grandmother, was heart warming and who could forget that moustache. I will never forget one summer when my mother, Shirley (Marven's sister), myself and about six school friends of mine were travelling to vacation in Prince Edward Island; we stopped in Baie Verte for the night and Uncle Marven was ready with a huge army tent erected so we could sleep there; only problem was he placed the tent in an area where the dog frequented - needless to say things were a bit smelly until Uncle Marven took the tent down, moved it to a cleaner spot and put it back up for us. He certainly took care to ensure we had a great stay in Baie Verte. A treasured memory for us all. Susan, I know it is so difficult to loose a parent and this is something you never get over - it just means life will be different, but I hope the many memories you have of your father will help carry you through this most difficult time and that one day the pain of loss will ease and those memories will bring a smile to your face.

Our deepest condolences go out to the entire Goodwin/Marlyn families; you are certainly in our prayers.
