“ *Mary is the best.*

I met Mary when I first began working at Humber in 2008. She always made time for me and asked me about my day, as I am sure she did for everyone else.

I will share only the top 2 things that immediately come to my mind:

1. Mary sometimes loved to quietly go into the back faculty office areas and borrow an empty desk and chair to read her kobo (book reader) during her lunch break.

2. Mary always asked about my children and kept requesting that I send her photographs of them for her "kids wall" (behind her reception desk) until I finally relented and obliged.

My deepest condolences to Mary's family and her many friends grieving Mary's loss.

May Mary's soul rest in peace.

We miss you Mary,

*Diogo Barco

“ To Mary's family: Please accept my deepest sympathies. Mary was always a pleasure to speak with each morning as I came into the J230 offices at Humber. I used to love our debates about who was the better Nascar driver, Jimmy Johnson or Tony Stewart. Mary always had all the answers about who to speak with or where to get help for something when you needed it. She would go out of her way to make sure you had what you needed, even if it wasn't her role. She was a great worker and an even better friend who I will miss sharing a laugh with. May she rest in peace!
