“ I had the privilege of living on the same floor as Mary for the past 16 years. For her 95th birthday I gave her flowers and a card saying that when I grew up I wanted to be just like her. She was an inspiration to me on how to live a long life and even though she didn't move as quickly as she would have liked she still made her way down 3 floors everyday to pick up her paper. She was a tremendous correspondent and I often picked up stamps and mailed letters and cards for her, I will miss seeing those envelopes slotted into the seam of my door. She loved sports so it was always fun to hear the game commentary from down the hall. She loved all the Toronto teams but especially her Blue Jays, I will always think of her now whenever I watch a game. RIP dearest Mary, I miss you and hope we meet again one day to cheer on our boys in blue. Junexxxx
