I am indeed saddened to hear of the passing of your dear Mom. I always held her in high regard from the many times I spent at your home in Tilton meeting up with Glen for another night out with the crowd at the snack bars in Spaniards Bay. Your Mom was always so kind and caring whenever I walked through your door. Never once did I feel unwelcome. It's been a long time since I've seen her but I know from your pictures and comments that her kind loving nature was pure and only grew stronger as she aged. I am thankful God gave her such a long life and now that it has come full circle, I know he will welcome her openly into her eternal home. One day, you will meet her again. God bless you all.
