“ *Bill, I hope you remember me. I was one of Tommy's best friends throughout high school and I spent many enjoyable times at 351 St. Clair Avenue East. Whenever I was there your mum was always warm, welcoming and gracious. She made me feel very comfortable. I recall that at Janet and Tom's engagement party over the Christmas holidays (I am guessing it was 1972) my girlfriend at the time singed her hair on a flame from a candle on the sideboard and your mum came to the rescue. After Tom's death my then wife and I came over to see your mum but we then lost touch. She will always be a very special person to me and I just wanted to let you know how much she meant to others. My sincere condolences. Please give my best regards to Janet. Allan Silver*
