

## MaryAnn Pope (Buchowski)

May 25, 2024

MaryAnn Pope – Born in Oshawa August 5th, 1946, and peacefully passed away at Lakeridge Health in Oshawa on May 25th, 2024.

MaryAnn Pope passed away peacefully on May 25th, 2024.

Known for her cheery and happy personality with a smile that could light up a room, she will be missed by all those that knew and loved her. MaryAnn's love for her family was boundless, and she took immense joy in nurturing and supporting her loved ones. She is survived by her daughter Laurie (Brian), her granddaughter Allisha (Al), her brothers Ted (Florence), John (Gayle) and Steve (Brenda). She will be fondly remembered and missed by her niece and God daughter Annalise, her nephews Kyle, Cory, Josh, Jesse, and their families.

MaryAnn was retired from the Chrysler Ajax Trim plant for 24 years after dedicating 35 years of service to them. While at the plant she made many lifelong friends and was also involved with her union (Unifor 1090). Prior to her husband Albert's early passing in 2006, the two loved to travel and golf together (she had a hole in One once!). Many summer days were spent at Cranberry Resort in Collingwood enjoying all there was to offer. Her competitive nature was evident when she played her card games, especially progressive euchre, bid euchre and cribbage. She skunked many a player over the years!

Her home was always filled with the delightful aroma of her cooking as she had a passion creating delicious meals that brought everyone together.

MaryAnn leaves behind a legacy of love, strength, and resilience. Her spirit will live on in the hearts of those she touched.

A Celebration of Life for MaryAnn will be held at Laurie and Brian's home, this Saturday June 1st from 12-3 pm at 107 Sutherland Avenue in Oshawa.

Please comment on this page if you are attending. All are welcome to come and celebrate and remember this incredible woman. In lieu of flowers please donate to the Alzheimer's Society of Durham Region in her name.

“ I only met MaryAnn a few times, she was a lovely lady. The 4 of us had quite a few laughs over dinner one night. Laurie, I wish I could be there to today to give you a big hug. I will raise a glass of wine today, to cheers your mom. ❤️🥰

“ When she entered a room you couldn't help but notice. A mama-bear through and through. She'll be dearly missed but it was a pleasure to have shared the same space on this earth with this woman. While she may be gone, may we remember all the amazing things about her and the impact she had in our lives. Much love Pope! :)

“ While I only got to meet MaryAnn a handful of times, I did get to talk to her on the phone a lot when she would video chat her great-nephew Caleb (Jesse's oldest son). We wish you could have met the youngest boy, you'll be greatly missed and hope you're at peace.

“ You were the best grandmother in the world. Sometimes a second mom. Thank you for helping me achieve my dreams and becoming the person I am today. A grandmothers love is truly something special and I’m so grateful to have experienced your love my whole life. You’ll always be with me and I will love you forever. Love Ali ☐
