Matthew Christopher White

September 16, 1986 - November 21, 2025

It is with profoundly broken hearts that we share the passing of our beloved Matt. On November 21st, surrounded by his family, he left this world and we said our final goodbyes.

Matt's greatest joy in life was being a dad. His daughter was his heart, and his family meant everything to him. He approached life with an ease and lightness that others admired, he never took things too seriously and believed in living fully in each moment. And looking back, that's exactly what he did. Matt lived every day with enthusiasm, laughter and love.

Matt was proud of the work he did as a Heavy Equipment Operator. He was skilled, hardworking, and dedicated, and he took great satisfaction in a job well done. Whether he was running machinery or lending a hand to coworkers, Matt brought his strong work ethic, steady presence and sense of humor to every jobsite.

He enjoyed the simple, unforgettable moments, riding his Harley, bonfires with friends and family, four wheeling and dirt biking, dancing, hunting, fishing, and charming every room he walked into. Matt was the life of the party. His energy

was magnetic, his smile contagious, and he brought joy wherever he went.

Matt leaves behind his loving parents, Michelle and David White; his cherished daughter, Ava White; his brother Luke White (Theresa Francis), and niece Jade; his sister Mackenzie White (Evan Fudge); his partner, Darcy McMinn; and his many friends! Their hearts are forever marked by his absence, and forever grateful for the time they had with him.

A celebration of life will be held on Saturday December 6th from 2:00 pm to 5:00 pm at The Royal Canadian Legion, 1550 Lansdowne St. West, Peterborough, ON where those closest to him will gather to honour the beautiful, spirited, unforgettable soul that Matt was.

“ I was so saddened to hear about Matt’s passing. I was sad to have missed his celebration this weekend but know it would have been a great way to remember Matt with all his closest family and friends!

I’ve been thinking about Matt and remembering those days when we were young - he and Mike Windsor would beat me home from school and already be in pool waiting for me to get home. He’d be flying by on his dirt bike or 4 wheeler with the rest of the crew asking me to come out for a rip.

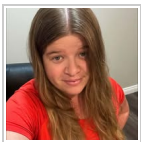

He was always such a calm, gentle presence, and at the same time so much fun and life in him — quiet until he had a drink in hand, around his friends and a bonfire then suddenly he’d come to life. Those are memories I’ll always hold onto. We had many good times together!

Please know I’m thinking of your whole family during this incredibly difficult time.

Sending lots of love,

Melissa Scott
