“ Dear Mrs. Buck, Jonas, and Jackson,

Although we did not know Maurie, Mrs. Buck was our daughter Alexa's teacher 4 years ago, and is now currently Ashley's teacher. As a teacher, you have proven to be so extremely caring, loving, genuine, compassionate, and funny! Please know that you hold a very special place in our hearts, and both girls were extremely sad to hear that you have lost your best friend and husband, and that your dear sons, whom you talk about all the time with your students, have also lost their loving Father. We are so very sorry that you are dealing with such a huge loss in your lives. Please know we are thinking of you all during this very difficult time. Our sincere condolences, The von Both Family xo

“ *Sending my sincerest condolences during this time. May the beautiful memories bring peace during this time. Thoughts and prayers for the Danko's. Although time spaces family members apart, there will always be fond moments that I and many other family members who have been fortunate to share laughs, create a bond and enjoy moments in life together. Rest In Peace Maurie.*

“ I was so sad to read about Maurie's death yesterday. We have many fond memories of Maurie as a coach, as a hockey and soccer Dad, and as a fellow volunteer with the Port Perry Hockey Association. He was such a great hockey coach to Maggie and I know his patience and encouragement helped to instill a love of hockey for Maggie. Maurie was a good man. Our deepest sympathies to Julie, Jodie, Jonas and Jackson. Hugs to all of you!

“ We remember Mort as the young man , always with the sly grin and a funny thought, running around the fairgrounds in Simcoe. He grew up before our eyes and turned out to not only be a very competent horseman but a very good hockey player as well. We were very sorry to learn of his passing and offer our sincerest condolences to his loved ones. The MacDonald Family.
