

Mrs. Maxine Marie Aird

December 9, 2013

Loving mother of Roberta and Gary (wife Viann). Grandchildren James, Tracy, BrendaLee, Heather & family. Dear Nanny to Selena and Brent. Sweet Great Nanny of Riley, Tyler and Zachary. Loved and survived by 'sister' (Donna Hartigan). She will be deeply missed by many more family and friends.

A SHINING STAR

The angels looked down from Heaven one night
They searched for miles afar,
And deep within the distance
They could see a shining star.

They knew that very instant
That the star was theirs to gain,
So they took you up to Heaven
Forever to remain.

Look down on us from Heaven
Keep us free from hurt and pain,
You'll always be within my heart
Until we meet again.

“ *We didn't get much time with you but the time we did have we fell in love with you. You were such a sweet lady and we loved spending time with you. The house is not the same without you, there is noones TV to fix, no more listening to your stories, and there is noone banging on our door anymore. We miss you and love you and will never forget you.*

“ After a 75 year journey, Nanny you're home!!! There's so many things I could say to you or about you but i will limit them to just a few. I wanna start by saying thank you. Thank you for always knowing what to say to make me feel better. When I lost my mom you were there for me and you knew just what to say to make things just that much better. I also want to thank you for 6 specific gifts in my life that you gave me. The first gift you gave me is Ma. I may not even call her Ma or tell her I love her everyday like i should but she is my Mom. The next gift you gave me just happens to be the the love of my life, my best friend, your beautiful granddaughter Selena. She is the light of my life and the greatest gift you could have given me. The next 3 gifts I like to think we give to eachother. Our boys, Riley, Tyler and Zachary. They will always remember you I will make sure. The last gift I wanna thank you for is your love. Was so unconditional. So pure. So sincere. I'm a better person for knowing you and I promise to pass the love you shared with so many people onto my children. I love you Nanny! xoxox

“ Living next door to Max my whole childhood, I too have some fond memories of her. I remember when she brought a bunch of us neighbourhood girls to see Donny Osmand and the following year to see Tony De Franco. We went to Toronto with her. It was my first concert. Great experience! We were so excited. Years later she use to work in the kitchen at Levis, she use to drive me to work every day. Many times I work to her honking her horn because I slept in. lol. She never left me stranded. She always patiently waited for me. haha. Thanks Max. I always appreciated what you did for me. Prayers going out for you Roberta and Gary. XOXO

“ *This is one of the hardest things I will ever have to do in my life, say goodbye to you my sweet sweet Nanny. You were by far the most sweetest an loving woman that anyone could ever say they met, an I was blessed to have had you as my Nanny. It fills my heart with so much joy knowing I got to feel your love, your tender kisses an warm arms wrapped so tightly around me. I would give anything to hear your voice again for you to call an sing to me like you did so many times. Just to say "I love you" or on my birthday every year. I always looked forward to my birthday call as you did for yours. I will forever cherrish the memories we made. Our sunday pancakes, garage sale hopping, an our trailer days. You taught me so many things, but most importantly you taught me how to be a kind, forgiving strong woman. I love you my sweet sweet Nanny!! I will never completly be able to let you go, you were just so very special to me. Your memory will live on through me an your three very special lil boys, who love an cherrish you. Always so excited to see you an spend the weekend with you. I will never forget you or let your boys forget you, but that will never happen. I will not say goodbye to you, because I know you will patiently waiting for me at the beautiful pearly white gates of heaven, an once again I will get to feel your warm an loving arms wrapped around me so tightly. So until that day comes I will never forget. I love you my sweet sweet Nanny always have an always will. xoxo*

“ *In memory of my mother
You were a precious gift from God above,
so much beauty, grace and love.
You touched our hearts in so many ways,
your smile so bright even on the bad days.
You heard God's whisper calling you home,
you didn't want to go and leave us alone.
You loved us so much, you held on tight,
till all the strength was gone and you could no longer fight.
He had called your name twice before,
you knew you couldn't make him wait anymore.
So you gave your hand to God and slowly drifted away,
knowing that with our love we will be together again some day.
Love you Ma
