“ After working with a man for 30 years one often finds strengths and faults in his character. Let me share my views of Mel Vaz qualities.

Mel was well respected by all of his colleagues and thousands of the former Stelco workers he treated and served in his capacity as a physiotherapist .Always a professional and sincere care giver. A shy man and intelligent human being, who always listened and gave remarkable advise . He would blush when ever I came up with an off color joke( I was able to see Mel blushing!!!). An honest man.!! We solved the worlds problems in our coffee room. Mel always spoke highly of his family and colleagues. Never a negative word about anyone. I remember our business venture we entered into whereby I would grow his Coriander and Mel would bring me his delicious samosa .Wow that was the best!!!

As far as Mels faults???? For the life of me I couldn't find any. Having known Mel As a friend and co-worker was a fantastic journey in my career. May god bless you Thelma and your family
