“ We haven't talked for ages but I really enjoyed the time we spent in the visual effects course we took. And even though we haven't spoken in 20 years I'll never forget that time. Your humor and talent will be missed. My condolences to the people he left behind and I want you to know that he made a difference stretching all the way to holland.

“ Mike, I was shocked to hear of your passing. It has been forever and a day since we last saw each other but sometimes I remember the days so clearly it seems like yesterday. To Mike’s family I am so sorry for your loss, Mike was a great friend to me during our Henry Hudson days and later during High School when he came to Cedarbrae. I will always remember Mike as an extremely talented artist although he maybe drew Eddie a little much for my liking :) good bye old friend I pray you are at peace.

“ Bob and I remember meeting Michael and his family at one of Danny Davis's birthday parties at Dave and Busters. He was such a friendly, handsome young man and his passing comes as a real shock. We are thinking of you, Janet and Stuart, as you deal with this family tragedy. Our sincere condolences. Bob and Janet Stockwell
