

Michael Joseph Clementi Jr.

October 9, 2024

It is with deep sadness that we announce the unexpected, yet peaceful, passing away of Michael Joseph Clementi Jr. on Wednesday, October 9, 2024, with his beloved wife Michele Woodrow by his side, at the age of 57. Michael gained his angel wings and has been reunited in heaven with his dear father Michael Sr.. His compassion, huge heart, and humility will be forever cherished by Michele, as well as by his mother Shirley, sister Angela, niece Alyssa, and by his stepchildren Crystal (Christopher) and Tiffany (Joseph), and Michele's grandchildren Briley and Bryson.

Michael was born and raised in Spotswood, New Jersey, and was passionate about his home town. He spent many years working at Shop Rite there before making his way to Canada. A warm-hearted soul, he will be forever remembered by all those whose hearts were touched by knowing him, both in Canada and New Jersey.

As per his wishes, cremation has taken place. Please take a moment to leave a favourite memory of Michael on his virtual guestbook.

“ *I can't stress enough how much sadness and pain your passing has caused. It hit so hard because you were really one of the most humble, kind and calm person. Married to my mom and became my step dad and papa to my child. I really wish we could have had more time with you that we could cherish with what memories we already hold that will never be forgotten. Thank you for loving my mom and being someone we all could love. This was something that took us by complete surprise and it hurts us everyday. You were taken way too soon and it's so unfair. I hope your resting in peace Mike and having a good time up there looking down on us everyday giving my mom the strength to carry on. We are taking care of her and always will. She misses you like crazy as do we. We love you Mike and will never ever forget you. ❤️❤️❤️❤️❤️❤️❤️*

“ I remember the day like it was yesterday seeing your face for the first time on video call with my mom you showing up in a cab outfront . I didnt even think you were realy until we met you !

I remember driving around the city and you and Bryson pointing out every blue thing and thats where you got the nickname papa blue !

My favorite thing about you was the Jersey accent and we wont ever forget it here.

Its been a week today and we miss you and we always will , rest in peace papa blue , we will see you again one day blue 💙
