“ *My sincere condolences to Mike's family and friends. My name is Richard Harvey, I grew up directly across from Mike on Burnet St. In Cobourg, Ontario. I can tell you that I absolutely looked up to Mike as he was about 3-4 years older than me. He always let me hang out with him and literally took me under his wing...I would be about 13-14 years old. I just loved hanging out with him. Camping, building forts, biking and just having a blast. Mike, if you can hear me buddy, I am truly sad to hear of your passing....Take care old friend, maybe someday we will meet again for a good laugh...love ya brother..!!!*
