“ Sadly enough I never got to meet Mike, but I got to “know” him via Twitter, where his cat Lu and dog Finn have an account. They “told” us how much they loved their dad, and so I know he was a good one.

I also enjoyed how he made Christmas special, with the outside decorations of their house which were magical.

Mike, this cruel disease took your life, but not what you was and the things you stood for. Your spirit will live on through Ellie, Lu and Finn.

We will be there for Ellie.

Rest easy, Mike 💜

Love,

Karen - and Muis.

“ Always taking care of the animals outside. Extra water in the hot summer and extra food in the cold winter. Over decorating the house, we could see the beautiful lights in the Netherlands 💜
