“ Dear Betty,
I want to express the sympathy of myself and my father, John Eckertt, in the passing of your dear Michael. The care at Sunnybrook truly is wonderful, and I'm sure you feel at peace, knowing that Michael had the best care and support, during the time he was at the Veteran's Centre. Saying goodbye to someone so dear is the hardest time -- I hope your Family and Friends have been, and will continue to be a loving comfort to you. The very best in your future, with so many tender memories of your life with Michael in your heart.

Sincerely,
Carolyn and John Eckertt (K1W - 35)
