

Michael (Mike) Smith

June 6, 2021

Oct 2, 1953 – June 6, 2021

It is with profound sadness that the family announces the sudden passing of Michael (Mike) Smith at Lakeridge Health Oshawa on June 6th, 2021.

Beloved Husband to Leone (nee Chafe) and loving son of the late Basil & Dorothy Smith. Mike will be greatly missed by his daughters Denise (Brent), Shelley (Murray), Sandra (Caleb), his sisters Susan (Wayne) and Janice, his brother Robert and his grandchildren Richelle, Jessalyn, Kane, Arthur, Tayler, Kassandra, and Makenna as well as his many family and friends.

Those who had the pleasure to know Mike will remember his ever-ready smile and that twinkle in his eye as he told a favourite joke or story. Mike loved to sing, to make people laugh, and had an amazing ability of making strangers feel like longtime friends. You never felt out of place in his company.

His memory is a blessing to those who knew him. He will be sorely missed, and forever loved, by his family and friends.

A Celebration of Life will be announced and will take place at a later date. Donations to the Canadian Cancer Society or the Canadian Kidney Foundation would be appreciated as your expression of sympathy in lieu of

flowers.

“ Uncle Mike was such a big part of all our lives with his corny jokes and his presence at family events. He was a larger than life and shone so bright. His light on earth has gone out but his memory will live on in the hearts of all who knew and loved him. He is up there now with all of those precious family members we have loved and lost and now it's time to make them laugh. RIP Uncle Mike you will be missed. To Aunt Leone, Denise, Shelly, Sandra and your families I love you and I am always here for you ❤️

“ It's hard to say goodbye to someone who has been a big part of my life for so many years. When someone we care for and love so much passes away, it opens the floodgates to so many cherished memories. One such memory is the time Mike took me with him on his paper route. I was supposed to keep the elevator door open while Mike quickly dropped his papers. Well the door closed and the elevator started moving, leaving me alone and scared. When the doors finally opened at basement level, there was Mike waiting for me with a can of pop, knowing it would make me feel better. And, it did! My HERO!!!
RIP Mikey,
Love Janice. xoxo

I am sure that one day we will all be together again.
