

Michael Roy Phillips

December 25, 2018

Michael "Mike" Roy Phillips passed peacefully in his 73rd year at Scarborough General Hospital on December 25, 2018 following a massive stroke. Beloved husband of Susan for 43 years. Loving father of Allison and Jonathan (Victoria). Dear brother of David (Jane) and Christine, brother-in-law of Janice (Gregg), and Stephen (Diane). Michael will be greatly missed by his many nieces, nephews, family and friends.

Michael was an elementary school teacher for over 30 years with the Scarborough Board of Education and later the TDSB. Throughout his life he loved playing and coaching baseball, music, being a handyman, and finding a good deal.

A celebration of life will take place in in the spring.

In lieu of flowers, a donation to the Heart and Stroke Foundation or a charity of your choice would be appreciated.

“ Every winter during off season from baseball my wife I would see Michael at Variety Village working out...getting ready for the new season.

We would share aches and pains and he could talk baseball and our Slo pitch league for ever.

He was always looking forward to Spring. You see he was the best pitcher in league and with such a positive attitude.

He was a competitor not only in sports but in life and never gave up.

He is one of the good guys.

He left us much too soon and will be terribly missed

“ *Michael missed the turn on the road to our cottage. I teased him mercilessly about his inability to follow directions. We laughed about orienteering exercises that hadn't paid off. All this while we ate the best steaks we had ever had. He picked them up at the Elaine butcher shop. Such a good natured guy. This is all too soon.*
