“ There are just so many wonderful memories, amazing "adventures", and truly humourous times that I still hold dear to my heart to this very day. Without Mike having been in my life, I would have never made the truly amazing friendships that I still have to this day, that were forged from 1994 onwards. He brought into my life two very loving kittens (Nosey who is now 16 and half, and Coho - RIP) whom I never would have had if it weren't for Mike. My love of fishing and camping, again, I thank Mike for instilling this in my very being, and I treasure the many truly wonderful happy times we had in our 8 years together. You will be missed by many Mike, but always forever in our hearts... Anita. xo
