

## Mr. Michael Norman Sullivan

July 28, 2015

Son of Anita and Norman (Deceased), brother to Gary and Randy, husband to Lisa and father to Talon and Skylar. Above all, a friend to many and a stranger to few: Michael Sullivan. He was known as Miklo by his mother and Sully to his friends. Mike was a kid at heart who never failed to put a smile on the faces of all who surrounded him. With his calm nature and ability to look on the bright side of life, he taught those close to him how to enjoy the beauty this earth has to offer. You'd find him riding his bike with that old milk crate on the back, greeting you with a whistle that could be heard from blocks away. In his early life he was always seen on a dirtbike despite the bumps it gave him; resulting in the fake tooth he hated so much. Always an avid outdoorsman, Mike felt most comfortable decked out head to toe in camo with a bow in his hand rather than a suit and tie. He loved animals, whether that meant in the outdoors or filling our home with alligators, raccoons, lizards, snakes and the list could go on forever. He lives on through all of those he has touched. It's truly impossible to sum his life into a paragraph. The life of every party, the brightest smile in the room and the man who turned every complication into a good story or lesson and at the very least a good laugh. He will always be missed and never forgotten. A memorial will be held at 455 Valermo Drive Saturday August 8th. It starts at 1 pm and will be a celebration of his life and the amazing memories he left behind. All are welcome.

# Tribute Wall

“ Always looked forward to Micheal and his family visits either when he came to the farm in Corbeil or when I used to visit aunt Anita on Hallmark Ave. Good times in my heart that will never be erased.

*You never really know how much you miss a person until they are taken away from you. You will always have a place in my heart and my memories, And you will always live through the children you created .*
