“ *Wendy, Sean and Jessica, Simon and I have delayed sending our condolences because we are at such a loss for words. I personally am so saddened, my memories and friendship goes back to close to 30 years ago in Bedford, Nova Scotia. I will miss the quiet talks we had and the support he gave me with the various changes I have had in my life over the years. He is and was a true friend. Gods Speed. XOXOXOX*

“ Wendy, Sean and Jessica

We are deeply saddened at Mike's passing. We have so many wonderful memories of our time in business together in the 90's and particularly all the fun visiting back and forth with you. Mike was just about the smartest guy in any room and so competent in a wide variety of disciplines. More than anything though, he was a very warm, caring and engaging guy. Even though our paths took us in different directions, it felt like no time had passed each time we met and talked. We will miss him a great deal but we are grateful to have had him and you in our lives. May all of your memories give you strength and comfort.

Mike and Carol Goulet - Gillian and Greg too.

“ *Wendy and Turner Family*
When Mike first came to us in the Lincoln Concert Band he was timid and yet had a confidence about him. Easily befriended by all I enjoyed our conversations and comical comments. An accomplished musician I was honoured to know him. He was honestly so pleasant to talk to, and real. He will be sadly missed by all I'm sure.
We cannot begin to understand why this happens to good people like Mike.
Please accept our most Sincere Condolences for your loss.
Sincerely
Dave Fleming, Lincoln Concert Band

“ *Wendy, Jessica and Sean;*
"LOVE is stronger than death even though it can't stop death from happening,
but no matter how hard death tries it can't separate people from LOVE.
It can't take away our memories either. In the end, LIFE is stronger than death."

Blessings to all of you!
