

## Micheline Bailie

November 22, 2019

On Friday the 22 we had to say good bye to the most amazing woman in the world, Micheline Bailie. She was a great mom and a good friend to all. She will be truly missed but she will always be in our hearts and will be looking over us.

“ *This is truly a sad time for the Bailie family, especially her children Hunter and Audrey. I wish them comfort in remembering the good times that family members had shared over the years. I will always remember the camping trips and swimming at the Bailie cottage, when we were all younger, healthy and happy. Goodbye Micheline.*
