*I've worked with Michelle for a long time and my fondest memory of her and one that really shows who she was as a person was from 13 years ago. I was having a very, very hard time at work (personal problem) and without really knowing me that well, Michelle helped me through a very tough day. She didn't care that we were just colleagues at that point, all she wanted to do was help... AND SHE DID HELP! That was the type of person that Michelle was. I will miss her and I feel absolutely privileged to have known her.*

“Michelle was such a joyful, warm hearted and straightforward person. Always ready to lend a helping hand and a great person to talk to. Now, all I can see is an empty desk when I walk by her office to pick up the printouts.

*Michelle, I missed you and I will always remember you!*

“ *The first time I met Michelle i told the person I was with that Michelle was intimidating. He said Michelle was a very nice person. I said she might be but she intimidates me. You have to understand we were on the golf course and Michelle was out driving me and it was from the mens tees!*

*You will be missed every day. Who will walk by my desk to talk about sports in the morning? 8:30 am will never be the same. I miss you already.*

*Although I didn't know Michelle well, she was truly one of my favorite people in the work place. Her positive energy and wackiness made her someone that everyone wanted to be around. I'm blessed for having met Michelle, I enjoyed her company....she was an amazing woman in her own right! Be at peace Michelle, thank you for the laughs (especially the little wicked ones) and the smiles you shared with so many. You will be sorely missed but forever in everyone's hearts. To Isabelle and Michelle's family, my thoughts and prayers are with you.*

“ Michelle's family & friends,

*I am blessed to have known Michelle for a short time, but in that timeframe I came to know her as a beautiful and wonderful person who made our dealings enjoyable and fun.*

*I wish this quote could hold true and we could have Michelle' back here with us all!*

*If tears could build a stairway,  
And memories a lane,  
I'd walk right up to Heaven  
And bring you home again.*

*My sincerest condolences to your family throughout this difficult time.*

“ Dearest Miche... Only a few got to know you and I am truly blessed to be one of them. You have enriched my life in many ways. Words can not describe how sad we all are that you have left us physically but never from our memories or from our heart. No more suffering, enjoy the warmth & safe haven of the lord. You are an angel whose smile will never be forgotten. Miss you tremendously. Brin & Vin

“Michelle, we will miss you so very much. You meant so much to so many people. Thank you for being a great friend over the years, the ABM group will never be the same. The memories will never be forgotten; decorating your office for all occasions, learning how to make paper snowflakes, colouring, doing coffee duty, Disney, going to the One of a Kind Show and the Metro Craft show, playing pool, beer and coolers, dressing up and being an amazing individual are things I will always remember. You will be in our hearts always. Be at peace.

*To your family, my sincere condolences. Michelle was a very special person and will be missed by many.*

*Michelle was always the life of the party....she would arrange work parties all the time and always made sure you were having a good time. I remember when she sent "Wee Egan" off to travel the world with her friends and she brought her to Janet's wedding. She was always there for a good laugh! I will miss her and will so many others.*

*Rest in Peace....*
