

Milos Vacek

November 18, 2023

It is with great sadness that we announce the passing of Milos Vacek on November 18, 2023 at the age of 82. Born in Pardubice, Czech Republic, Milos graduated with a Masters degree in Chemistry and went on to obtain a degree in Civil Engineering from the Czech Technical University in Prague. In 1982, with the goal of a better life for his wife and children, the family immigrated to Canada.

Milos is survived by his beloved wife Marie Vacek (neé Svobodová); much loved father of Andrea (Sheldon) Campbell and George; cherished grandfather of Emma and Malcolm.

Milos was an avid reader and an adventurous traveller, exploring many countries in South America and Asia, as well as returning every year to his homeland to reunite with former classmates, friends and family. His gift for story telling, and sense of humour were well known, and he will be greatly missed by all.

His wish was for no service, and for his ashes to be brought back to Prague as his final resting place.
