“ *Dearest Monica,
We love you with all our heart, you were a true inspiration to us, you showed us how to be better people, and how to truly love your family unconditionally.
Your grandchildren love you immensely, you made sure you remembered there birthdays and made them feel so important.
Dave and I were truly blessed to have you in our lives, you were so supportive and loving right till we said our goodbyes...
We know you are where you want to be now, peacefully with Ken, we will always keep you in our thoughts and hearts
Love you Always,
David, Rhonda, Allyssa, Hayden, Austin*

“ *I have many great memories of my aunt Moni. But what I'm going to miss the most are the many hours of our weekly chats for over the past 20 years. Love you and miss you deeply Moni. Say hi to Dad, Mom, Ken and Moe for me.*

“ Hi Monica... I am sure you are looking down on us, shaking your head no, no, no, please no more tears, dry your eyes, and please be comforted that this is what I really wanted for a long time. Even so that is soooo hard to do, we can't help ourselves, and you being so kind, I know that you would not want to see us cry.

For us It was bittersweet, we all wanted you to live out a long, long and happy life ,and you always wanted to join Ken in heaven. I know how much you missed Ken each and every day and God knows as well, we all did, but how could you not, married for 51 years you obviously completed one another.

You always thought of the other person, kind, generous and considerate to a fault, and loved your entire family to the moon and back. I don't know of any another family than you and Ken that went out of their way not only for any family member, but for friends and friends of friends. I can't say enough how much you hold a special spot in my heart and I am sure for many, many others as well.

Monica you deserve to be in heaven.... You and Ken deserve to be together again at long last.

All my love, I hope you will be waiting at the gate when we get there.

“ I met Monica years ago when I first met Dave and Rhonda while in high school. Monica always made me feel welcome in her home. She was easy to talk to and always friendly. As years went by and friends drift apart I have not seen Monica for years but lucky me she moved into the retirement home I work at and I was able to visit with her again. Still friendly, still easy to talk to and she pulled out her photo album to reminisce about the past. Very happy to see her again. My deepest condolences.
