“ *Mona was a very special friend to us. She always worried about Ambrose, Carole Anne and the family. She was a very dedicated and loveable Mother and Grandmother. She will be missed by all. Burney brought her to meet us so long ago that I can't remember when. They even gave us the privilege and honor to stand for them when they got married. So sorry we never got a chance to see you in August .We love you and miss you dearly dear friend. And pray that you are at peace.*
