

Muriel Leah Hutchinson

May 17, 2026

It is with great sadness that we announce the loss of our Mother Muriel Leah Hutchinson (Hannon)

Born May 31st 1930 in Toronto Muriel often spoke of her childhood years spent with her family on Sumach St. and cherished their times together at Cherry Beach.

As a young woman she met and Married Lewis Alexander Hutchinson and together they had 8 children.

Muriel dedicated her life to raising her 8 children and although money was often tight, dinner was always home cooked and on the table promptly at 4 o'clock .

Muriel worked tirelessly as a homemaker but she was no ordinary Mother . A stunningly beautiful woman, Muriel enjoyed dances at the Palais Royale Ballroom and a strong passion for music that she instilled in her children, many of whom pursued a career on stage.

When they were playing an event Mom was sure to attend and support them from the audience.

She was their biggest Fan.

Mom enjoyed adventure and outdoor excursions with her children often taking trips to Niagara Falls.

Once thinking a trip to Fenelon Falls would be similar to Niagara.. which became a story we would laugh about for years.

Muriel was busy with her children but also made room for her other passion,

animals. Cats birds hamsters and at one time 5 dogs also called 403 Brock Ave Home.

Once her children were grown Muriel found a new passion her Grandchildren. She was blessed with 13 Grandchildren and 18 Great Grandchildren who all hold a special place in her heart .

Muriel leaves this world just 15 days shy of her 96th Birthday.

It would be impossible to capture a life so long and so full in a few sentences here.

That can only be done through cherished memories that we now all hold dear. Muriel is predeceased by father Robert Hannon, mother Mary Jane Hannon (Adams), Sister Mildred Hannon, Daughter Dawn Marie (Susie), Grandson Daniel.

She will be missed by her children: Joanne (Percy), Michael, Lewis (Ann Marie), Danny (Shenny), Jimmy, Kevin (Elaine), Sean (Heather).

Grandchildren:Leah,

Steven,Jane,Sean,Stephanie,Janelle,Hayley,Johnny,Sarah,Steven,Billy,Liam.

The family would like to thank the caregivers and staff of Toronto Western Hospital, EW Bickle Care, St Joseph's Hospital, Fountain View Care and Aftercare Cremation and Burial Services, for their hard work and dedication.

As per Muriel's wishes, final resting place will be Pine Hills Cemetery.

Internment date, followed by Celebration of Life to be announced at a later date.

Tribute Wall

LE

“ Well Mom, You are now in the hands of the Lord . Annemarie and I were honoured to have been with you , over the past year. We had many laughs, a few cries , but you always had something to laugh or giggle about . We played all your favourite songs and you sang along with us. We will miss you , until we meet again. As you often said”I Love you to the moon and back”

“ Thank you Gammie for all the lovely memories I and my family made together with you. I remember the Christmas and Easter dinners we'd spend together. I remember going over to your house to watch movies and eat your world famous spaghetti and meatballs and decadent chocolate cake. There were always peaceful times when you would be around and surely they were missed. Thank you greatly for everything you were and meant to everyone.

*I love you Gammie
Love your great-grandson, Kai.*

JA

“Gammie, I will miss you so much. The laughter every time we talked will be missed. You and I always had the funniest, craziest conversations, full of laughter.

You'd sing songs to me from when I was a kid, remind me constantly of the times I used to sleep over in your bed as usual. Particularly one night, I said, "Goodnight Gammie" and we leaned in to kiss each other goodnight in the dark and your nose went in my mouth. You had such a good laugh every time you told that story.

How about another time, I slept over and was rubbing your shoulders and head before bed when I was younger, and said, "Gammie, your head feels like a cantaloupe"

Gammie laughed so hard! I told her at least I didn't say it felt like a watermelon or an orange. She agreed! She'd laugh so hard retelling the story every time.

I have so many memories of Cherry Beach with her as well as Niagara Falls and Marine Land.

Gammie, thank you for all the car rides with the music turned up, air conditioning blasting and adventures at every stop, we had FUN!

Gammie was such an important part of my childhood, my adult life as well as my family's life.

Gammie always made me feel so special.

Gammie, thank you for loving us all. All your children, grandchildren and great-grandchildren will forever keep you in their hearts.

I love you Gammie💕💕

Love your granddaughter, Jane❤️
