“ On behalf of Tim, Molly and Michael Morse, and myself, Jo-Anne Kirwan Clark, I would like to share my sympathies with your family. When Nick and Liz were living next door, waiting for the big move, we adored listening to Nick playing " If I Had a Million Dollars" while he was barbequing. I always got a kick out of it because if he did have a million, he would have shared it with his family and maybe me. At least a bottle of wine for old Jo!! That was the kind of guy that he was. He kept his spirits up while going through chemo, staying positive for his wonderful family and giving them all of the time that was given to him.

Taken too soon but what a fighter. Nick, you are missed and if I had a million dollars, I would donate them to pancreatic research.

“ I was saddened to hear about Nick's passing. We have been neighbours of the Kocis family for many years. I remember when Nick starting dating Liz and how proud Tereza and Frank were to welcome him into your family. It was obvious that he loved Liz and their three children dearly. He was taken too early.

“ I was also a roommate of Nick's at Ryerson, and I'm deeply saddened by his passing. We had not been in touch since I left Toronto, but I received well wishes from him via Michael Wale on occasion.

I am sorry to say we were not the most compatible roommates, for which I take much of the responsibility. However, Nick clearly had forgiven me and put bad feelings in the past which touched me deeply.

He was always generous and warm, and I send my sincere condolences to all his family and friends.

Sincerely,

“ From the moment I met Nick we became family. We shared many laughs. tears and heartfelt moments. I know how much he adored his family and I am blessed to be part of their life now too. Nick was like a comet . He shone so brightly but for way too short a time.

“ Nick, we are saddened and will miss you. We met as roommates in Toronto almost 30 years ago and while we were later separated by distance, you always made the effort to stay in touch over the years. You became a good friend and in time a loving father to you family. Through challenging times you were always positive, thoughtful and polite. You were graitious and so appreciative of all those around you. Thank you for your friendship.
To Liz, you are an amazing person who I know Nick loved so very much. To Kathryn, Ian and Hanna you meant the world to your father.
Janice and I are so saddened by Nick's passing and will miss him. He will be forever in our hearts.
