“ Dear Leonard, Pat, Brian & Families,
We were saddened when we read the obituary on Nick's passing
and how he had to suffer through the chemo treatments.
We have wonderful memories of living across the street from our
friends the "Panaskys".
Please take care,

“ *My Uncle Nick was the funniest uncle!! I will always remember his beautiful smile, and love for his family. He was always there for everyone and he has helped my husband Oresto and myself many of times. I will fondly remember when I worked at Lakeridge Health Oshawa, I would see my Uncle Nick almost everyday for a moment or two, as he too was working there with in the Construction and Renovation of the hospital. He was always working hard, and whenever we bumped into each other at work, he always had a big smile on his face.....even at work! He will be missed very much by many.*

Until we meet again Uncle Nick....

Love always,

Your Niece Christina (& Oresto) Baldino
